2014 BC Taekwondo Championships

On behalf of BC Taekwondo Federation, I would like to give all of you a warm welcome to the 2014 BC Taekwondo Championships. The BC Championships is one of the major annual championships in BC with more than 700 medals to be won.

This year, competitors will showcase their hard earned skills and spirits as true Taekwondo martial artists. At this year's Championships, I am very excited to announce that our federation will be implementing the use of electronic scoring systems where accurate and precise point registration is possible. Along with many other benefits of having this system in place, it will ultimately equip our competitors with the necessary tools for success in the sport of Taekwondo.

I would also like to take this opportunity to congratulate 4 of our own BC athletes that recently won a gold medal at the Junior Team Trials this past November and will be representing Team Canada at this year's World Junior Taekwondo Championships in Taipei later this month. Special congratulations to Shane Britton, Gina Woods, Evelyn Gonda, and Rowena Lau. Like all British Columbians, it is our sincere wish to see them make Canada proud at this prestigious tournament. All competitors should be reminded by their achievement that hard work and dedication do provide great opportunities that could open many doors in the sport of Taekwondo. We are also proud to announce that 2 of BC's coaches have also been selected as Team Canada coaches: Master Michell Ge and Master Daniel Thornton. Congratulations to all.

I would like to thank all the masters, officials, referees, and volunteers for their dedication and commitment in preparing this year's BC Taekwondo Championships. All family members' and supporters' enthusiastic cheers for our athletes at this Championships are greatly appreciated. I will be looking forward to seeing you all at this year's Championships.

President, WTF British Columbia
