2011 B.C. MASTERS CUP & JUNIOR TEAM TRIALS

On behalf of BC Taekwondo Federation, I would like to give all of you a warm welcome to the 2011 Masters Cup Championship.

Masters Cup is one of the major annual championships in BC with more than 800 medals to be won.

This is where competitors could showcase their hard earned skills and spirits as true Taekwondo martial artists.

At this year's Masters Cup, I am very excited to announce that WTF BC has finally implemented the use of electronic gear system where accurate and precise point registration is available.

Along with many other benefits of having this system in place, it will intimately equip our competitors with the necessary tools for success in the sport of Taekwondo.

I also would like to take this opportunity to congratulate four of our own BC athletes representing Canada at the upcoming Pan American Junior Championships and Pan American Open in Las Vegas. I am sure that it is all of our British Columbians' sincere wish to see them make Canada proud. All competitors should be reminded by their achievement that hard work and dedication do provide great opportunities that could open many doors in the sport of Taekwondo.

I would like to thank all the masters, officials, referees and volunteers for their dedication and commitment in preparing this year's Masters' Cup championships. All family members' and supporters' enthusiastic cheers for our athletes at this Championships are greatly appreciated.

I will be looking forward to seeing you all at this year's Masters Cup Championship.

With warm regards,

Grandmaster Dae Lim
President, WTF British Columbia
